DISPERSION

DECEMBER 9, 1972

HAMPTON, IOWA

The Herd With Over 11 Years of Production Records!

ROBERT JOHNSON & SONS

Polled Shorthorn - Shorthorn

COMPLETE DISPERSAL

DECEMBER 9, 1972

Sale to start at 12:30 P.M.

Hampton Auction Market
HAMPTON, IOWA

OWNERS

Robert Johnson Tom Johnson Jim Johnson

GENERAL SALE INFORMATION

SALE: This is a complete Dispersal Sale of the Registered Polled Shorthorns and Shorthorns owned by Robert G. Johnson & Sons, Latimer, Iowa.

LOCATION: Hampton Auction Sales, Hampton, Iowa.

TIME: The sale will start promptly at 12:30 p.m. (CST), Saturday, December 9, 1972, and will continue until all cattle are sold.

TERMS AND CONDITIONS:

1. The terms of the sale are cash. Settlements are to be made with the clerks of the sale during or immediately after the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.
2. Insurance will be available for animals at the purchase price. (See clerks for details.)
3. Each transaction in this sale will constitute a contract between buyer and seller. The sale manager, auctioneer or ringmen, have been employed for specific tasks not connected with the handling of the cattle or condition of the premises and they will not accept liability, legal or otherwise, for the buying contract or for any accident. Neither can the seller accept any responsibility for injuries that may occur. All persons attend this sale at their own risk.
4. Guarantees — This being a dispersal sale, all the animals sell without guarantee. However, females not having calved will be pregnancy examined and the results announced at the time of sale. Every known blemish or defect will be called. **NO ANIMAL WILL KNOWINGLY BE SOLD THAT IS NOT CONSIDERED TO BE A SOUND BREEDING ANIMAL.**
5. Health — All animals in the sale have been tested for TB and Bangs within thirty days of the sale date. All the animals selling will have health charts and meet the requirements for interstate shipment. If there are exceptions, an announcement will be made from the auction block.
6. Announcements from the auction block take precedence over statements printed in the catalog.
7. Purchasers are asked to furnish information necessary for proper transfer of animals. The ASA Sale Management will transfer certificates to the new owners.

ROOM ACCOMMODATIONS: Gold Key Motel, Hampton, Iowa; Hampton Motel, Hampton, Iowa.

AUCTIONEER: Dick Kane, Wisner, Nebraska.

MAIL ORDERS: All mail orders will be treated with confidence. Contact:

FROM THE SALE MANAGEMENT:

The Johnsons have explained their reason for this dispersal. I am sure that had this disruption in their farm program, caused by the new highway, been delayed, this herd would have continued to be a real asset to Iowa and Shorthorn and Polled Shorthorn breeders everywhere.

The Johnson cattle have kept abreast of the times, and their production records have helped them make their decisions.

I encourage you to join us on sale date and give us your opinion of what we feel will be some of the finest cattle sold this fall.

Take advantage of the years of this sound performance breeding program.

A.S.A. SALE MANAGEMENT

LETTER FROM THE JOHNSONS

The difficult decision to disperse our herd was necessitated by the taking of our farm for Interstate Highway 35. Shorthorns have been an important part of our farm operations for 34 years.

The cattle have always been handled in a practical manner, as they were a prime source of family income. Cows have been maintained on pasture and hay and never saw a shed after their first winter. (They've been through some pretty rough blizzards!) Every cow had to have a calf each year or she was sent to market. All the purebred females have been bred here.

The herd sires have been selected on performance appearance and pedigree with the hope they would be improvers.

In 1961, we joined the Iowa Beef Improvement Association because we thought measuring performance was an important part of selection and improvement, and we never regretted that decision.

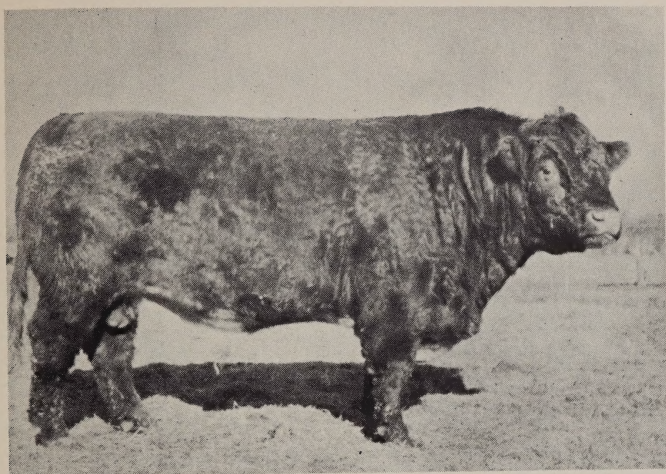

Although we have not shown in recent years, many winners have been produced here. Especially gratifying have been the records of steers we bred.

Certainly we have enjoyed our Shorthorns, and we will miss them; but the valued friendships made among the Shorthorn fraternity will always be treasured.

We take this opportunity to invite you all to our dispersion. The cattle will be honestly presented, in their working clothes, and we will let them speak for themselves.

Cordially,

Bob & Helen — Tom & Sandy — Jim & Norene

Kinnaber Leader 3rd x — Sire of the Green Bluff Leader 4th.
One of the longest, largest sons of Leader 21. His progeny has
been awarded many championships at major shows throughout
the United States.

GREEN BLUFF LEADER 4th x — Lot 1. This polled son of the popular KINNABER LEADER 3rd was added to the Johnson herd battery because of his size and muscling. This bull was used in the American Shorthorn Association Patterns For Progress meeting at Martin Nold's, Gettysburg, South Dakota; and was picked as a bull that could genetically transmit these important traits to his offspring. As you will see in his progeny, he has proven to be a true breed improver.

Thomas Harvey 5B x — A great young bull in pasture rig at the Johnson farm.

LOT 2

BULL

THOMAS HARVEY 5B x3452-790

THOMAS HARVEY 5B x — Lot 2. This polled son of KINNABER LEADER 9th (Big Gene) is a tremendously growthy individual. His calves show all indications of having good elevation and length. Most of the younger bred females in this sale carry his service and could prove to be quite valuable. It is quite well known that sons of Big Gene are breeding well. Here is your chance to purchase a young son that is proving himself. His dam is a half-sister to KENMAR RANSOM 322 (Tank); Grand Champion Bull at Chicago, Denver, and American Royal.

Parkview Hope x — Note the strong top and long rump found on this prospective herd sire.

The following five cows and calves are recorded in the Appendix Registry of the American Shorthorn Association and the new buyer will be supplied with the Appendix Registry certificates. As you will note, the cows are $\frac{1}{2}$ blood Shorthorn and the calves are $\frac{3}{4}$. Cows are rebred and will again have $\frac{3}{4}$ blood calves in the spring of 1973. The Appendix Registry cows originally came from the famous Mallory Angus farms. They are known for using performance bulls for over 100 years.
